

INAM helps to develop **technologies of tomorrow** by providing
access to partners, infrastructure and funding!

AdMaCom

- ▶ 6-week start-up acceleration program with networking activities, trainings, tours and social activities
- ▶ 15 start-ups from 4 different countries
- ▶ 75 visits to institutes & companies in 6 weeks
- ▶ 4 new and 16 potential collaborations after 6 weeks
- ▶ 1 start-up received scholarship
- ▶ 15.000 EUR cash prize

HOW TO GET INVOLVED

STEP 1

Ask yourself if you would like to have access to the people who work on the technologies of tomorrow

STEP 2

Talk to us and be our guest

STEP 3

Become active in our network and be prepared for the future
